Hello Parents

The Holiday season is here, and December is filled with joy, kindness, and winter fun! Our theme this month is "Winter Wonders & Holiday Cheer!", where we'll explore winter weather, holiday traditions, and the spirit of Christmas. We have a fun-filled schedule with special activities to celebrate the season!

Parent Tip of the Month:

Make the season extra special by starting a simple family tradition, like reading a holiday story before bed, baking cookies together, or taking a winter walk to look at lights. These little moments create lifelong memories!
