Hello Parents

Happy August! Summer is winding down, but we still have plenty of fun and learning ahead! This month's theme is "End of Summer Adventures!", where we'll explore nature, creativity, and getting ready for a new school year. As we transition into fall, we'll also help our little learners prepare for new routines and experiences.

Parent Tip of the Month:

As we get closer to the new school year, start adjusting bedtime routines to help your child transition smoothly. Reading a book about school can also help ease any nerves!
